If you are looking for a secluded property, you have found it. Might be a rough entry to property the last 1/4 mile in. Electricity is available on easement road, needs to be brought in, no well or septic. This place is almost at the end of road, borders a large ranch on one side. The back is high fenced, the other 3 sides are not fenced. Property is all flat, large oaks, lots of cedars. This place has not been hunted in years.....
