A 4.64-acre tract located a few minutes west of Leakey fronting on paved road. Still within minutes from the Frio, Leakey, Con Can & Garner. This place has views of the nearby hills in back, long views of hills in the front. There is a home that will probably be a tear down. The best part, it's not in subdivision comes with easy access from RR 337. Great place to construct some homes for rentals for bikers or summer guest. Property is flat with a gentle slope, some large oaks, no cedars. Does have a well, septic & electricity. There is a live spring on the south edge of property. There is also an easement for cemetery located toward the southwest corner of property.
